

June 1, 2023

I am pleased to announce the appointment of Judy Wu to the position of Assistant Controller effective June 8, 2023.

Reporting to the Controller and Director of Financial Services, the Assistant Controller will oversee a team of professionals that provides operational accounting, financial analysis and reporting, accounts payable, and banking services for the University; provide financial management expertise and advice to the University community; and lead divisional modernization initiatives and automation projects related to finance operations processes.

Judy is currently the Interim Controller at York University where she oversees General Accounting, Restricted Fund Accounting, Financial Reporting and Research Accounting. Prior to joining York University as Assistant Controller in 2021, she held various managerial roles in financial accounting and reporting including Controller, Global Finance at Magna Closures Inc. and Senior Manager, Financial Accounting & Reporting at Hudson's Bay Company. Judy has had the opportunity to lead and contribute to various transition, process improvement, and technology projects. Judy is a Chartered Professional Accountant (CPA, CA) and holds a Bachelor of Accounting & Financial Management and a Masters of Accounting from the University of Waterloo. Judy articulated with Collins Barrow LLP and Deloitte LLP.

I am delighted that Judy has agreed to join the University in this role. Please join me in welcoming Judy Wu to her new role in the Financial Services Department.

Regards,

Sanish
