

November 3, 2022

I am pleased to announce the appointment of **Jenny Cheng** to the position of **Manager, Restricted Fund Accounting** effective November 16, 2022.

Reporting to the Controller and Director of Financial Services, the Manager, Restricted Fund Accounting is responsible for providing financial management expertise and advice to the University community; managing a team of professionals which oversees the accounting of the University's restricted funds including endowed funds; and provide advice to Ancillary operations with the development of annual budgets and long-range plans.

Jenny joined the University in 2002, holding various progressive roles. In her current position as Manager, Budget Administration, Reporting, and Institutional Systems, she is responsible for managing the University wide cost attribution model and other aspects of budget administration. She was a key contributor in the implementation of the University's Compensation Planning tool, where she managed user acceptance testing and led change management efforts. Prior to joining the University, she held roles at General Electric Canada and The World Bank Group of the United Nations. Jenny is a Chartered Professional Accountant and holds a Bachelor of Economics from Renmin University in China.

I am delighted that Jenny has agreed to join the Financial Services Department. Recognized for her professionalism, dedication, and collaborative management style, she brings a wide range of experience and an in-depth knowledge of the University gained through her various roles.

Please join me in welcoming Jenny Cheng to her new role in the Financial Services Department.

Regards,

Sanish
